Sub: Processing of incentive proposals for own funded units under WBIS 2077

Ref: No. 377/Sub/Cat/Empl/150/2001-02 (Part III) dated 18.02. 11.

Sir,

With reference to the above, I am directed to convey the views of this Department in this regards as follows :-

1. There should not be any objection for extending benefits under WBIS 2007 to the units which are self financed provided the units submit documentary evidence(s) to the satisfaction of the concerned authority.
2. WBIS 2007 is silent on the issue of transaction in the manner of cash payment in and outside of the State for purchase of machinery etc. Hence this Department may not have any objection for cash purchase of machinery by the SSI units provided such transactions follow R B I guidelines on such issues strictly.

Yours faithfully,

B. Roy 17/8/11
Assistant Secretary.
